

Grant Township Blight Enforcement

Blight investigations for the Month of September 2022

- 1) I had a conversation with Mr. Beardsley about several areas in the TWP that needed to be addressed. After getting the complaints that he received I went to these spots and wrote letters to the owners to of these properties.
- 2) I received a complaint about 1654 Welcome from a neighbor that feels the yard is messy and that possibly the owner is running a business from the pole barn. I went to the property and found the yard to be in nice order. The pole barn area did not have tools or any signs of a working shop. I did see some semi-stacked logs and industrial machinery in the back yard and I did not see where that was a problem. I found out later that these neighbors do not get along and this may have been a way to start trouble. I will see if there changes next month. For now I am taking no action.
- 3) The DPW truck driver stated that he could not get down Hann St. to get the refuse that was left in a bin after a clean up at 5100 Hann. I went and collected the bags and took them to the compost site. The area looks 99% better since the owners received the letter I sent and cleaned up the property.
- 4) I followed the DPW truck on the Monday and Tuesday routs to check for blighted areas and I identified several areas, in one way or another, that need to get into compliance. The following are addresses that I observed, and based on additional complaints filed at the TWP office that I have sent letter of non-compliance to. I will check these areas through the next month.

Continued;

- a) 1717 Beaunavista
- b) 1808 Camino
- c) 3468 Midland
- d) 1880 Camino
- e) 3790 Pardee
- f) 3848 Indian Lk. Rd. / Corley Rd.
- g) 1780 Louks
- h) 1288 Boston
- i) 1351 Pine
- j) 1273 Ash
- k) 1258 Maple
- l) 1393 Ash
- m) 1348 N. Sand Lk. Rd.
- n) 1322 N. Sand Lk. Rd.
- o) 1274 Fletcher
- p) 1631 Little Ave.
- q) 3432 Midland
- r) 1821 Camino
- s) 5630 M-55
- t) 3667 Little Island Lk. Rd.
- u) 3622 Little Island Lk. Rd.
- v) 5119 Hann

Norman Andersen
Blight Enforcement Officer
