

GRANT TWP. FIRE DEPARTMENT MONTHLY REPORT

MONTH OF OCTOBER, 2025

Jim Brink, Chief

1. Fire Academy has started. We do not have anyone attending the Academy this year. We will be hosting some classes at this Department.
2. Fire Prevention Open House went well. Not as many people as last year.
3. Trunk or Treat went well. 31 vehicles and 88 kids.
4. Our ladder testing was completed. We have one ladder that failed the testing.
5. Meet with our ISO Representative, Lee Panoushek. Everything looks good on our end.
6. We will be changing over to a new reporting system by the end of the year. Right now we use the state system, NFIRS, which we will not be able to use after February 2026. The new system is called NERIS which is also a state reporting system.
7. Fire Calls for the Month of September:

Respectfully Submitted,

Fire Chief Jim Brink
